Introduction to the open silicon and open EDA ecosystem

2024/05/14, 10:00 CEST

- Open-source hardware in the European Chips Act (10 min)
  Matthew Xuereb, *European Commission*

- Free and open-source semiconductor ecosystem (10 min)
  Luca Alloatti, *Free Silicon Foundation (I) ETS*

- Open-source EDA software and semiconductor design (15 min)
  Jean-Paul Chaput, *Sorbonne University, Coriolis Foundation*

- Open PDK with Open EDA Tools - Challenges and Future needs (10 min)
  Rene Scholz, *Leibniz Institute for High Performance Microelectronics (IHP Microelectronics)*

- European roadmap on the advancement of open-source EDA tools, next steps (10 min)
  Rihards Novickis, *Latvian Institute of Electronics and Computer Science*

- Q&A session / Feedback (up to 1 hour)
